

Homework (Lesson 2)

Q1) With just ints and for-loops, recreate this pattern:

```
1
22
333
44444
555555
4444
333
22
1
```

Q2) Write your own switch statement with:

- at least one `break;`
- a `default:` statement

Q3) Write your own if-blocks that use the following at least once:

- `!`, `<=` OR `>=`, `&&`, `||`
- Multiple clauses in one statement.
